

Question: Using the following two images ([link](#)), write a python code to compute the depth map. You may use any libraries/GitHub code for this task (language: python). However, cite the library/GitHub code you have used. Clearly write the approach followed and the show your results in the report.

(bonus) Implement from scratch!

[5 marks for obtaining depth map]

[2.5 marks for report]

[2.5 marks for viva]

+2.5 marks (bonus)
